GRADER

This is the same Austin Western power grader as was discussed at the special town meeting last spring. A 1954 thoroughly reconditioned grader with a new nine foot plow and a new eleven foot wing and lifts. This grader has been rented since May 1960 with the intention of buying at the March 1961 town meeting. The amount of rent paid for this period is four thousand dollars. However should the town decide to buy this grader 85% of the rental cost or three thousand and four hundred dollars will go towards the purchase

price leaving a balance of nine thousand and four hundred dollars.

The appropriation of twelve thousand dollars could be raised by a long term note paying back three thousand dollars yearly to start in 1962. Our present Falls Bridge note has a balance of two thousand and five hundred dollars and will be paid in full this year. (1961).

This grader came to town last spring with a new machine guarantee as agreed by the owners, Scott Machinery Co., in Concord. Since that time we have had four service calls for minor troubles and at no cost to the town.

We have used this power grader a total of three hundred and seventy-seven hours in widening, smoothing, and building roads under summer maintenance at an hourly cost of one dollar and thirty-five cents per hour for the operator, plus fuel and wear and tear on the grader. Using the old scraper the hourly cost would be four dollars and sixty cents; three dollars and thirty-five cents for tractor and operator, one dollar and twenty-five cents for the machine operator.

In winter maintenance this power grader can can very nearly pay for itself as is proved by the comparison of appropriations in Article 9 of the Town Warrant. The hourly cost for plowing snow with the grader runs two dollars and sixty cents per hour while a truck and two men costs five dollars and sixty cents per hour. The grader also does away with the cost of outside heavy equipment which during the winter of 59 and 60 cost the town one thousand and two hundred dollars.

The grader could be housed at the roller shed by

making some changes to the end of the building. However the selectmen hesitated in spending the amount necessary for such a change until definite arrangements were made as to the future of the grader.

STATE LAW

Anyone obtaining fishing, hunting or operators license and motor vehicle registrations and not having paid their Head and Poll Tax, are guilty of Perjury.

My appreciation to the Taxpayers and the Town Officers for their cooperation in a short tax year, in making my duties more pleasant, being a Tax Collector is no way to win a Popularity Contest.

I hereby certify that the above report as of December 31, 1960 on account of the levy of 1960 is correct to the best of my knowledge and belief.

KENNETH M. ALEXANDER

The Library Trustees attended the Neighborhood Library meetings composed of Ossipee, Moultonboro,

Tamworth, Madison and Freedom, and through this group have been able to buy their books at a 36% discount through the N. H. State Library. Many new books have been bought this year and Mrs. Graham Cunningham from Westport, Conn., has donated many books, also. The Bookmobile has come from the State Library every two or three months, and the Trustees have picked out approximately 100 or 150 books for our library each time it came|

We believe that the library has had a very successful year and that many books have been circulated, and we hope that the townspeople will make full use of their library and the new books that are there.

Respectfully submitted,
The Library Trustees:

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Freedom:

During the school year 1959-60 the teachers in the Freedom School were Mrs. Edith Plant, grades 1-4, and Mr. Ralph Staples, grades 5-8. Mr. Staples resigned at the end of the school year.

In September, 1960, Mrs. Plant returned to her position in the primary room. In the upper grade room is Mr. John Snodgrass, of Alton, N. H. Mr. Snodgrass is a veteran, and a graduate of the University of New Hampshire. Freedom is fortunate to have competent and conscientious teachers.

Last year the total enrollment in the Freedom School was 46 pupils with an average membership of 40.8. In September of the current year the school opened with 33 pupils. The annual school census indicates that there will be a gradual increase in the next three years to about 40 pupils. Since the opening of school some families have moved out of town reducing the enrollment as of this date to 28 pupils.

Enrollment in high schools was as follows:

School	Total Enrollment	Average Membership	Tuition Rate
Brewster Academy	1	1	\$360 00
Fryeburg Academy	1	1	\$400 00
Kennett High School	12	12	\$355 00
Porter High School	1	1	\$395 64
	<hr/> 15	<hr/> 15	

The average cost per high school pupil was \$491.30. The average current cost per high school pupil was \$489.37 as reported by the State Department of Education.

The September, 1960 enrollment in high schools was as follows:

School	Enrollment	Tuition Rate
Brewster Academy	1	\$360 00
Fryeburg Academy	1	\$400 00
Kennett High School	17	\$370 00
	—	
	19	

The present enrollment numbers indicate that there will be about 15 high school pupils in 1961-62. Kennett High School tuition rate for next year has been announced as \$395.00, and Brewster Academy \$360.00.

The school health services continue under the effective supervision of Mrs. Rebecca Sanborn, R. N. Physical examinations are made by Dr. David P. Dutton with Mrs. Sanborn's assistance.

At the last annual district meetings Effingham, Freedom, Madison and Ossipee appropriated funds to be used for music instruction. These districts jointly engaged Mrs. Dagny Blouin as the music teacher. This is the first time our pupils have experienced the advantage of music instruction by a professionally trained music teacher. Mrs. Blouin holds the degree of Bachelor of Music, and has taken education courses at the University of New Hampshire. Necessarily the instruction this first year is elementary, but the children are making good progress and are enjoying the experience. Mrs. Blouin is to be complimented on the good work she is doing.

During the current year the exterior of the school building received a coat of paint, new shades have been installed on the upper grade room, and the electrical wiring has been renovated.

It has been my privilege to serve as your superintendent of schools during the past fifteen years. My association with members of the school board, teachers, citizens, and pupils has been very pleasant, and is most earnestly appreciated.

Respectfully submitted,
EVERETT H. BRASIER
